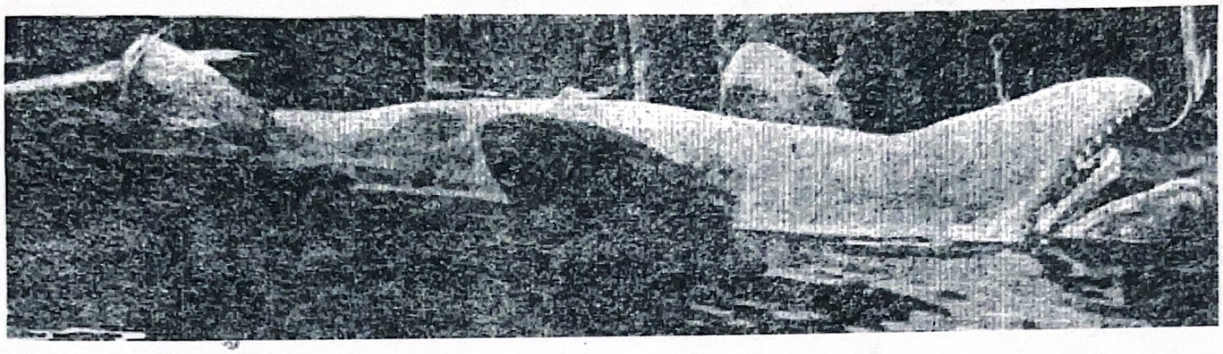
The Story of Ethelbert!



The sad remains of Ethelbert

Portland's Ethelbert

One morning three weeks ago, milk wagon drivers and early risers in Portland, Oregon, saw a huge dark marine shape diving about in Columbia Slough, adjacent to the confluence of the Columbia and Willamette Rivers. "Sportsmen" started shooting at it until Governor Julius L. Meier issued orders against it. By the end of a week the creature had been identified as a small killer whale which had wandered 100 miles up from the sea. Press
